The question of installation in X Ray Apparatus in the Headquarters Hospital, Mangalore, was brought forward as Part II scheme for 1936-37 and was sanctioned in G.O. NO. 345 PH. dated 8-5-1936. In Septr 1937, the Surgeon General stated that the X Ray outfit ordered for the Headquarters Hospital, Mangalore, had been received, and that the construction of the X Ray Block in the Headquarters Hospital, Mangalore, had not yet been commenced and that the building would not be ready for occupation for about one year. He, therefore, recommended that the Apparatus might be installed at Kannur Headquarters Hospital, where the building had been constructed about two years previously. The Government accepted the recommendation of the Surgeon General and orders approving the proposal of the S.G
